Student Showcase

The Student Showcase will be held on Thursday, February 18th from 6:30 p.m. – 7:30 p.m. in the gymnasium. This is a great opportunity for students to display anything from a science project to a collection of something of interest. In addition, there will be a special section devoted to showcases involving heritage, cultural traditions or information about another country. Application forms will be coming home soon. If you have any questions, please contact the school office

Winter Coats

Parents, please make sure that your children come to school with a winter coat, gloves, hats and boots (when we have snow.) Weather permitting; your child will be outside for recess, so it is imperative that they come to school dressed appropriately. In addition, please mark all of your children's winter clothing with their name. On days when your child will wear boots, please make sure they also bring gym shoes to wear inside the building.

Is your Child Sick?

Flu season is upon us and we have had many children absent or sent home from school because they are running a fever of 99.6 or higher. If your child has a fever in the morning, **please** do not give them medicine and send them to school.

Canned Food Drive

We will be collecting nonperishable food items in February when our local food banks are in greater need. More info will be coming soon

Homework Heroes

2nd grading period Homework Heroes are listed on back side of the newsletter.
