

Charter Oak Primary School
Peoria SD 150
Peoria, ILLINOIS

ILLINOIS
SCHOOL
REPORT
CARD

GRADES : K 1 2 3 4

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	43.7	45.7	3.1	6.2	0.0	1.4	46.5	3.6		1.7	10.8	95.6	357
District	29.8	61.2	5.9	2.5	0.1	0.6	69.7	3.2		4.3	28.8	92.7	13,825
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	100.0	--	--	--	--
District	96.5	18.1	19.8	12.2	164.6
State	96.7	18.4	18.0	13.3	201.8

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

AVERAGE CLASS SIZE (as of the first school day in May)

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$98,937	4.48	\$6,518	\$11,398
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.

Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.

Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.

Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Greetings Charter Oak Community:

It is with great pleasure and pride that I present to you our school report card for the 2008-2009 school year. Our school motto is "AMAZING happens everyday at Charter Oak". I am very proud of the data contained in this Report Card because it clearly reflects the many AMAZING achievements of our students. Upon viewing the data, you will see that the Illinois Standards Achievement Test (ISAT) measures the extent to which our students are meeting rigorous State Standards in reading, math, and science. The ISAT is just one measure that we use at Charter Oak to evaluate student achievement. Although the test is very important, it does not provide the full picture of what our students know and are capable of doing.

The ISAT, which measures achievement, is a reliable test that is taken by all of our 3rd and 4th students. The 2009 ISAT results indicated that 91.2% of all of our students met or exceeded the state standards in reading; 97.6% of all our students met or exceeded the state standards in math; and 90.4% of all our 4th graders met or exceeded the state standards in science.

Data from the ISAT, NWEA, DIBELS and TUNGSTEN are analyzed at grade level meetings as well as on SIP Days to clearly identify the students that are in need of interventions as well as enrichment. In addition, the Action Plans within our school's SIP Plan that specifically address increased student achievement are clearly aligned with the specific areas of focus. As an ASPIRE School, our CSSN Team meets regularly to determine strategies that will best meet the needs of our students while developing ways to aid teachers with additional instructional strategies within their classroom instruction.

As a school, we continue to provide certified tutoring for all grades, weekly Chess Club which competes yearly in the PFT Chess Tournament, the ACORN Newspaper for our gifted writers, Story-telling Class, Drawing Class and Etiquette Class. In addition to these great opportunities for our students, we are blessed with an AMAZING Charter Oak Parent-Teacher Committee that helps foster a community of excellence.

I am very proud of the Charter Oak staff, students and our community. As we move forward, our focus continues to be dedicated to our entire diverse community of students. Thank you for helping all of us be more AMAZING!

Planned Improvement for the District

Peoria Public Schools continues to work to provide the highest quality education for every student. Increasing student achievement continues to be the driving force behind all District initiatives. The District continues to develop strategies that meet the varied needs of students, families and the community at large. Strategies incorporated into the District Improvement Plan include focused professional development, review of reading curriculum, implementation of early math strategies, provision of early intervening services, introduction of co-teaching, and development of parent academies. Activities currently being implemented to increase student learning include:

- Focus on high school achievement through enhanced student support and increased learning opportunities
- Develop plans for closing Woodruff High School
- Implementation of Comprehensive System of Student Support
- Student centered instructional programs in content areas
- Universal Leadership Teams at each building

Respectfully,

John E. Wetterauer
Principal
