Attendance Incentive

Beginning the week of Feb. 16th, we will begin an incentive for students to get to school on time. We have many students that arrive after the bell rings. These are students who

do not ride the bus, as we do not count them late if it is the fault of district transportation. Students need to be in their classroom by 8:45 a.m. or they are considered tardy. Many important things are missed if a child does not begin the day with their classmates. The reward for getting to school on time will be as follows: on Friday of every week, each student who has no tardies for the week will get **5 extra Bobcat tickets to spend at the school store.** Parents, please make the extra effort to leave the house a few minute earlier so that your child walks in the door of the school no later than 8:40 a.m. If your child eats breakfast here, they should arrive no later than 8:30 a.m. As always, thank you for your cooperation.
